Revised 02/2012

50-01-0198-3-PTP

CP 1100

Fixed car phone
with advanced voice control

CP 1100

Fixed car phone with advanced voice control

Advantages:

-  **Independent communication system** with own SIM card, installed permanently in the vehicle
-  **Comfortable and easy to use** – via the large illuminated keys and the high resolution display
-  **DialogPlus voice control** – extremely accurate, rapid reaction word recognition without voice training and with visual and acoustic user support
-  **Magic word** – activation of the voice control with a single voice command
-  **FDM function** – cost-saving limitation of phone numbers available for calling to a maximum of 10 contacts

In detail:

- **Crystal-clear voice reproduction** via vehicles built-in sound system or external loudspeaker
- **Automatic radio mute function** when calling
- **Make several phone calls at the same time** – hold calls and switch between them, conference calls with up to 7 participants
- **Display** – of the phone book, call lists, text messages, reception, provider's name, telephone number and further information on the display
- **Day / night mode** – brightness of the symbols on the display can be adjusted
- **Emergency calls** – via an SOS key

Scope of delivery:

1. CP 1100 with Vehicle Mount
2. Electronic box
3. External loudspeaker
4. Microphone
5. External GSM-antenna
6. Printed instructions booklet
